...Respondents

THE HON'BLE SRI JUSTICE C.V.RAMULU

W.P.No.19391 of 1997

ORDER:

This writ petition is filed seeking a Certiorari to call for the records relating to the Award in ID No.42 of 1995, dated 21.2.1997 on the file of the Industrial Tribunal-I, Hyderabad.

It appears that the 2nd respondent-Union raised a dispute and the same was referred to the Industrial Tribunal under Section 10 (1) (d) of the Industrial Disputes Act, 1947 Act for adjudication.

The grievance of the 2nd respondent-Union was that in spite of there being a settlement under Section 12 (3) of the ID Act under Ex.W3, the wages are not extended to the members of the Union.

The labour Court after going through the

entire material placed before it came to the conclusion that since there is a settlement under Section 12 (3) of the Act and that the members of the 2nd respondent-Union and the very union itself were parties to the said settlement, the benefits conferred on the industrial employees are equally applicable to the members of the 2nd respondent-Union.

Therefore, I am of the opinion that the Tribunal has not committed any error calling for interference of this Court under Article 226 of the Constitution of India. Writ petition is devoid of merits and is liable to be dismissed.

Writ petition is accordingly dismissed. No costs.
